Roadmap

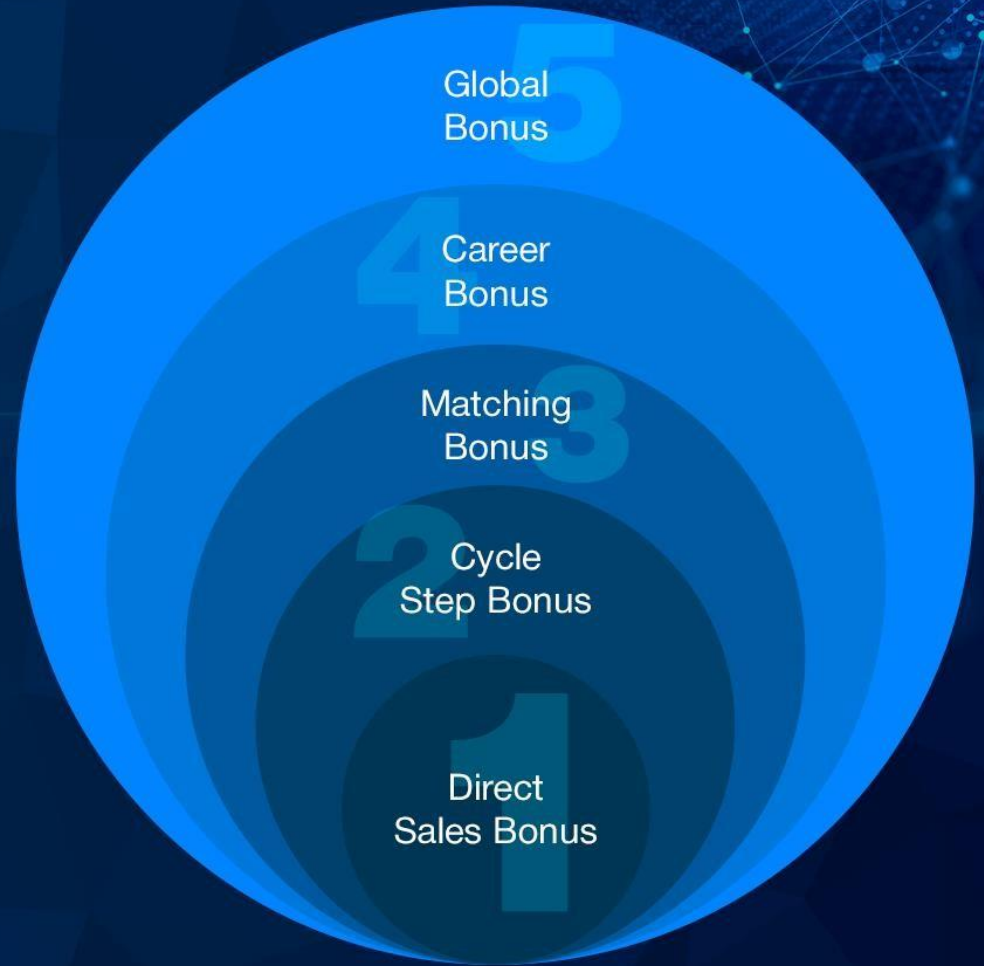

The background is a deep blue color with a complex geometric pattern of overlapping triangles and polygons. In the center, there is a large, stylized star shape formed by these polygons. On the left and right sides, there are network-like structures consisting of small blue dots connected by thin white lines, resembling a digital or data network. The overall aesthetic is modern and technological.

Important Note

Direct Sales, Cycle Step, Matching and Career Bonus

The crediting of Commissions always depend on the margin defined for the individual projects and products.

With a Membership Package we always have the full amount as margin, because it is our own digital product. If someone pays 2,000 USD for the "ALL-IN" package, then 2000 points will be credited.

A margin is always defined for a project or a tokenized asset, e.g. 20% for a tokenized asset. If someone now invests 10,000 USD, a maximum of 2000 points can be
